

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 649925 - Ingrees.

# INGREES: KNOWLEDGE EXCHANGE

EU exchange meeting (2 - 3 June 2016 - Budapest)

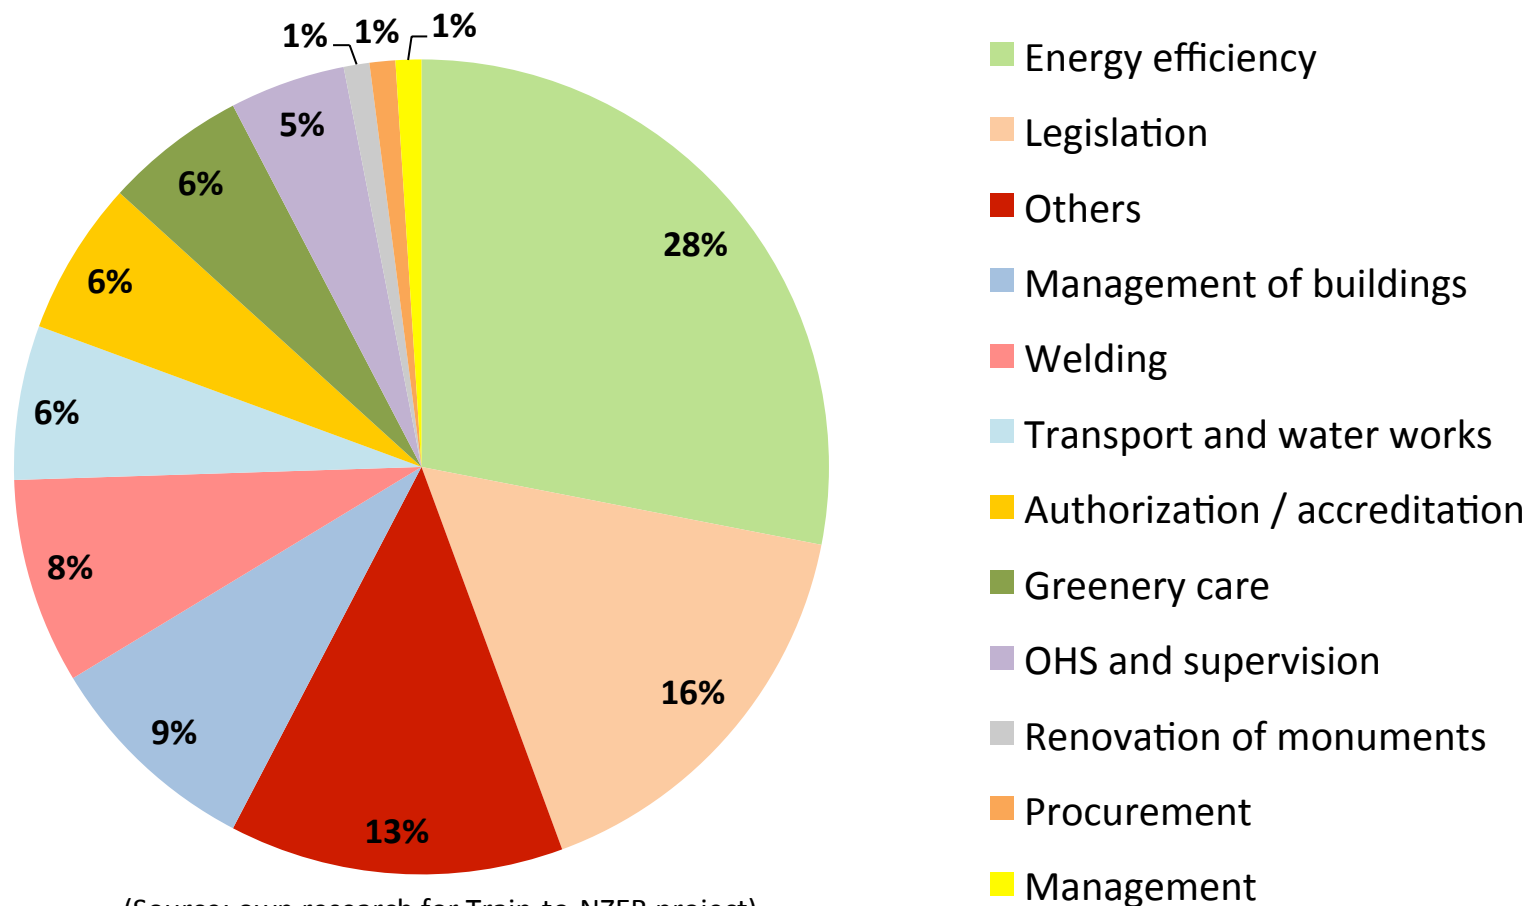

Jiří Karásek

SEVEn, The Energy Efficiency Center

# TRAINING STATE OF THE ART

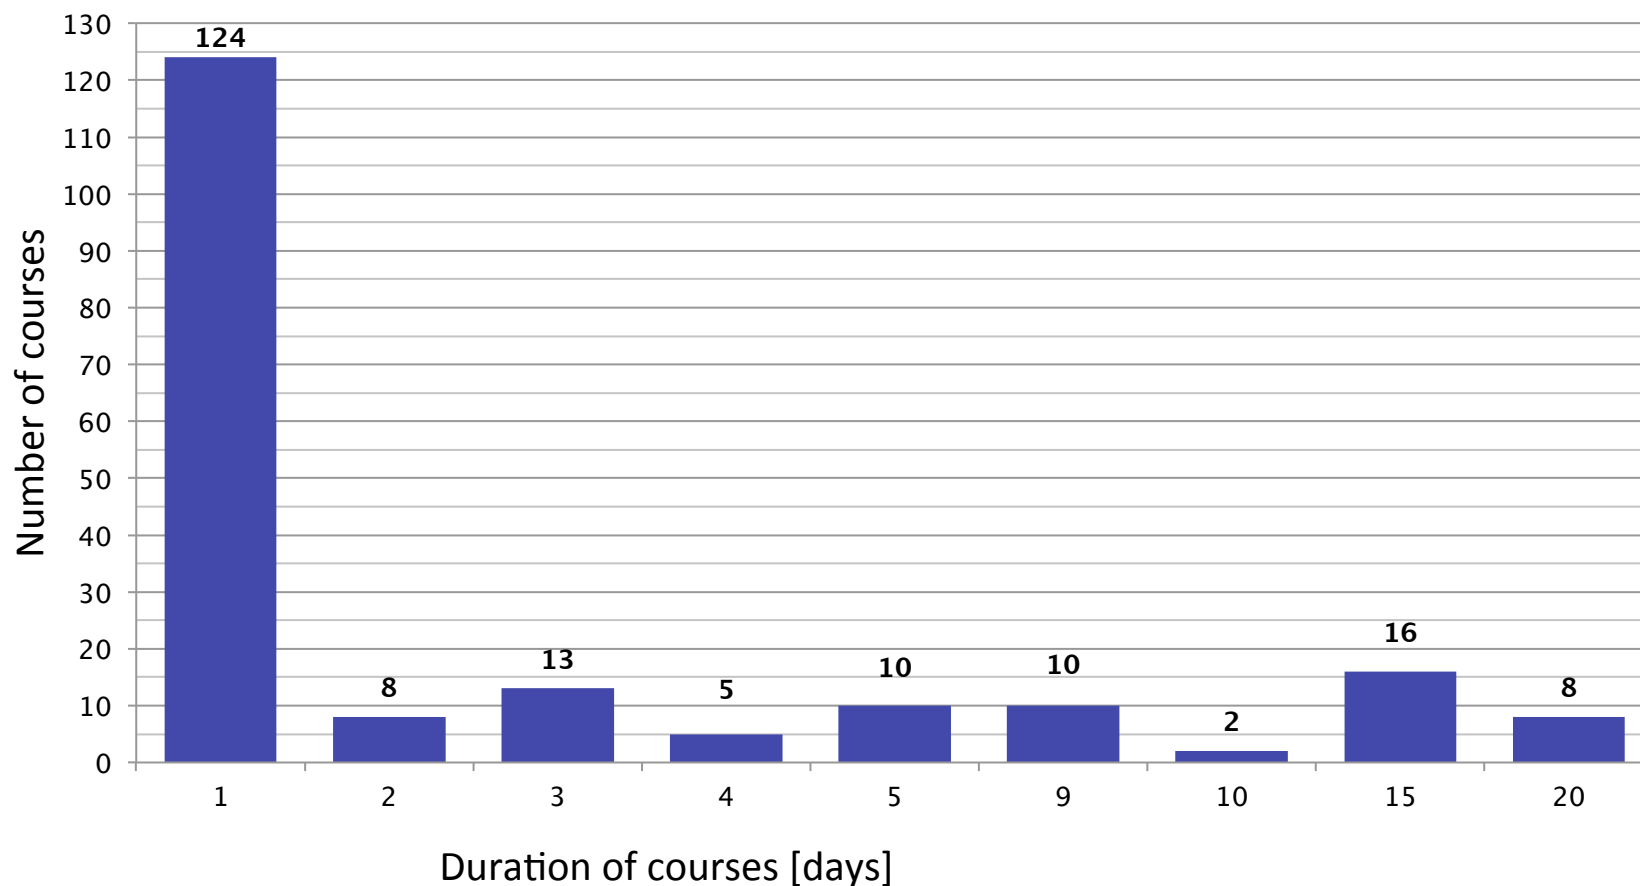

## The share of courses by specialization

(Source: own research for Train-to-NZEB project)

# TRAINING STATE OF THE ART

## Duration of courses

(Source: own research for Train-to-NZEB project)

## EXCHANGE OF KNOWLEDGE ABOUT NZEB

- ➔ **Issue:** Lack of really experienced and skilled professionals in nZEBs      => No courses
- ➔ **Solution:** Support of training courses for professionals

## EXCHANGE OF KNOWLEDGE ABOUT NZEB

**In-class training**

**E-learning**

**Practical exercises**

**Equipment**

**High quality trainers**

**Support for trainers**

**Information exchange**

**EU experience**

**nZEB  
training**

**Thank you for your attention!**
