

EUREKA[★]2016

Heating, Cooling, Refrigeration & Ventilation: Sustainable technologies for a better life

Conference **EUREKA 2016**, 13 December, The Hague, The Netherlands

08.00 – 9.30 REGISTRATION & WELCOME

From 08.00 VIP Breakfast for members, speakers & sponsors
From 09.00 Registration & welcome coffee

09.30 – 11.00 PLENARY SESSION

09.30 – 09.45 **Opening & Welcome** Jürgen Göller (EPEE) & Joan Miro Ramos (EVIA)
09.45 – 10.00 **Introductory remarks** Carel
10.00 – 10.30 **Keynote address** By representative from Dutch Ministry – TBC
10.30 – 10.45 **Q&A** Audience
10.45 – 11.00 **Closing of the session**

11.00 - 13.00 THEMATIC PANEL SESSIONS (each participant to choose to which one they want to participate)

A focus on the cold chain

11.00 – 12.00 **The impact of the new F-Gas rules in Europe and beyond**

MODERATOR **Andrew Gaved**, Editor in chief, H&V News & RAC

PANELLISTS

- **DG CLIMA**, European Commission
- **Ray Gluckman**, Gluckman Consulting
- **Per Jonasson**, President, AREA ;
Olivier Janin, Director Partnership, Orgalime
- **Georgios Patkos**, Former Director of the Technical Department, Delhaize
- **Tim Vink**, Director Regulatory Affairs, Honeywell Performance Materials & Technologies

12.00 – 13.00 **The role of refrigeration in reducing food waste**

MODERATOR **Didier Coulomb**, Director, IIR

PANELLISTS

- **Gérald Cavalier**, Président, Cemafrroid
- **Judith Evans**, Researcher Air Conditioning & Refrigeration, London South Bank University
- **Juergen Goeller**, Director Sustainability of UTC Climate, Controls & Security Europe, Middle East, Africa (EMEA), UTC-Carrier
- **Olivier Jan**, Partner Sustainability, Deloitte France

A focus on buildings

Increasing political awareness on indoor air quality & thermal comfort

Sonja van Renssen, journalist, Energypost.eu

PANELLISTS

- **Atze Boerstra**, Vice-President, REHVA
- **Claus Haendel**, Technischer Referent, Fachverband Gebäude-Klima
- **Dirk Müller**, University professor, Department of Buildings and Indoor Climate, Aachen University
- **Bjarne Olesen**, Head of Center, DTU Civil engineering

Driving energy efficiency in buildings

Jens Lausten, Coordinator, Concerted Action EPBD - TBC

PANELLISTS

- **Adrian Joyce**, Secretary General, EuroAce
- **Thomas Nowak**, Secretary-General, EHPA
- **Federica Sabbati**, Secretary General, European Heating Industry
- **Mihai Scumpieru**, Manager, Mitsubishi Electric Europe

EUREKA[★]2016

Heating, Cooling, Refrigeration & Ventilation: Sustainable technologies for a better life

13.00 - 14.30 NETWORKING LUNCH BREAK

14.30 - 16.00 BREAK-OUT SESSIONS (each participant to choose to which one they want to participate)

A focus on the cold chain

14.30 - 16.00

- ★ The impact of the new F-Gas rules in Europe and beyond
- ★ The role of refrigeration in reducing food waste

A focus on buildings

- ★ Increasing political awareness on indoor air quality & thermal comfort
- ★ Driving energy efficiency in buildings

- All break-out rooms to be organised in several "round tables".
- Each table to be led by a panellist and will work on a key issue / question relevant to the panel theme.
- Moderator & one member of the EVIA / EPEE Secretariat to walk around as time-keeper.
- Each table to present their responses.
- The break-out room then to collate their specific "call to action" pillar to be later on presented in the plenary room

16.00 PRESENTATION OF THE CALL TO ACTION - PLENARY ROOM

16.15 - 17.30 PLENARY SESSION

16.15 - 17.15 Presentations of conclusions of panels Moderators to present panel-specific call to action A 2020 HVAC-R Call to Action to be presented and discussed

17.15 - 17.30 Concluding remarks **Dina Koepke**, Director Governmental Affairs, Emerson Climate Technologies GmbH

17.30 Reception
