

## ManagEnergy Talk

19 February 2019 - 18:00

Crowne Plaza Hotel - Le Palace, Brussels

After a successful edition featuring story-teller Rob Hopkins, the ManagEnergy Talk is back for its 2nd edition during the Covenant of Mayors Investment Forum - Energy Efficiency Finance Market Place! Per Espen Stoknes will deliver an inspirational speech on the topics of sustainable finance, climate and energy.

Per Espen Stoknes is a psychologist and an economist. An entrepreneur, he has cofounded clean-energy companies, and he spearheads the BI Norwegian Business School's executive program on green growth. He has previously worked both as a clinical and organizational psychologist and as an advisor in scenario planning to a wide range of major national and international businesses, government agencies, and non-profit institutions. His research interests include climate and environmental strategies, economic psychology, and energy systems.

The ManagEnergy Talks explore innovative, ambitious and transformative actions led by local/regional actors. It seeks to inspire others to spear head the drive for investment and action on sustainable energy. They are meant to serve as a forum for the discussion of new political initiatives, legislative processes or financial innovations from the different perspectives of all relevant stakeholders. **Join us at the Crowne Plaza Hotel on the 19th February evening for a thought-provoking ManagEnergy Talk!**
